If a 're-match' is chosen and the result is a 'draw', this will be followed immediately by a 'shoot out' until a winner is determined.

TEAMS

This list will be passed to the FA and the FA referees will also have a copy.

If on the night of a game a team is unable to field six players that team may borrow up to two players from other teams in the league in order to make up their numbers. This means that there is something for each teams to play for every match since even if a team expects to loose the number of goals conceded will affect their points in their division and hence their chances at winning the Divisional cup.
